This is the complete Inspection & Training package which we have, based on a subscription model.

Our prices are for **Unlimited use on upto 25 vessels**. Beyond this number, a per-ship cost apply. Contact us for prices on the above numbers.

Billing is annual or monthly and no further charges will be applicable until the next renewal date.

Refer to **Notes and Clarifications** at the end of this document for further details. **Prices will be quoted in US Dollars.**

S#	Section Name	Module/Video Name	Type	Areas they contain	
1	Engine Room	Pictorial Modules			
		Engine Room - 1	SCORM or HTML5	UMS Entry; Engine Control Room, Main and Emergency Switchboard; Engine Log books	
		Engine Room - 2	SCORM or HTML5	Engine Room Workshop, Designated Hotwork Area, Purifier Room	
		Engine Room - 3	SCORM or HTML5	Around Engine Room; Gray water management; COP Turbine Platform (T); Inert Gas System (T), IG O2 Analyzer (T)	
		Engine Room - 4	SCORM or HTML5	Local maneuvering, LSA FFA, Emergency Escape routes, Sewage Plant, Incinerator	
		Engine Room - 5	SCORM or HTML5	Bottom Platform, Oily water separator, Sludge/Bilge Systems, Equipment and Machinery	
		Engine Room - 6	SCORM or HTML5	Entrance to Engine room, Steering Flat, Emergency Fire Pump, Hypermist System, Chemical Locker	
		Engine Room - 7	SCORM or HTML5	Pre-Arrival Checks and Eleventh Hour checks	
		Videos			Duration (seconds)
		E/Room VT 1	MP4/AVI (Video)	General Round 1	4:09
		E/Room VT 2	MP4/AVI (Video)	General Round 2	6:48
		E/Room VT 3	MP4/AVI (Video)	Engine Control Room	4:33
		E/Room VT 4	MP4/AVI (Video)	Steering Flat	4:06
		E/Room VT 5	MP4/AVI (Video)	Workshops and Purifier Rooms	3:24
		E/Room VT 6	MP4/AVI (Video)	22 checks in 5 Mins - Engine Room (A list of 22 handpicked Engine Room checks which will show you the condition of the vessel.)	5:15
		E/Room VT 7	MP4/AVI (Video)	Operational Tests in the Engine Room	07:21
